"We need to redefine community and find a variety of ways of coming together and helping each other." Sharon Salzberg

In order to protect the health of our community and of all those we serve, The Center will be making the following adjustments to our services during the Covid-19 / Coronavirus prevention response:

- Resource Day events are cancelled until further notice
- Family Visitation Center is closed
- Family Fridays Parenting Workshops will be cancelled until further notice
- All Family / Classroom Enrichment outreach programming will be suspended at this time

However, we will still be working to make sure that we are living our mission of making sure that everyone in our community has access to the resources and services they need to thrive.

We WILL be providing the following services:

- We will be maintaining **an updated list of local resources** and any changes that may be impacting their availability.
- We are producing a new **"Virtual Enrichment" video series**, with multiple informative videos for children and caregivers alike. New videos will be shared on Instagram, Facebook and at TheCenterODC.org.
- We will be launching our new **Family Fridays video series**, with weekly tips for families of all ages.
- We are in the process of **updating our website** (www.TheCenterODC.org). Our new website will include tools such as an online intake form, so we can help connect you with the resources you may need.

There are multiple ways to reach us for information or assistance:
